

Apulia Apartment is situated in the historic centre of Vaste, in the **heart of Salento area**. The property is close to the Baronal Palace, where is placed the Archaeological Museum of the Messapian Civilization.

The **most beautiful beaches of Salento** are just between 5 and 20 minutes far from the apartment, as the Castro's and Santa Cesarea Terme's cliffs or the white beaches of Otranto and Leuca.

This historic house has been recently renovated and it's developed in **two floors**, built with the typical white stone from Lecce and it's characterised by high vaulted ceilings.

Apulia Apartment is composed by a bright living room with a fully equipped kitchenette, **2 double bedrooms**, 2 bathrooms and a large habitable mezzanine with a **double sofa-bed**. From a stairs it's possible to access to a big terrace facing the Vaste's Cathedral and an orange grove below.

During Summer season the little borgo of Vaste hosts several concerts.

The Highway is A14 Milan-Bari, closest exit Bari
